

Popular Birding Places

Jordanelle Reservoir

Directions: Jordanelle Reservoir is east of US 40 between Silver Creek Junction and Heber.

Midway Fish Hatchery

Directions: Go south on Center Street (East Charlestown Road) in Midway to 850 South and turn left. After crossing the cattle guard go right down to the parking area.

Potters Lane, and the fields northwest of Heber

Directions: From US 40 about 1.5 miles north of Heber, go west on Potters Lane and begin birding. Turn left at the first road (525 West) and go to 1800 N., birding as you go. Turn Right (going west) and proceed to 1750 West and turn left. Go about 1/2 mile to 1200 N. and turn left. If you go straight for about 2 miles, you'll come out on US 40 at "The Other End" (a drinking establishment) about 1/4 mile north of Heber. (You can also make the loop in the opposite direction).

Specialty Birds: (In the spring) Bobolink, Common Snipe, Savannah Sparrow also Brewer's Blackbird, Spotted Sandpiper and regular birds of the open field.

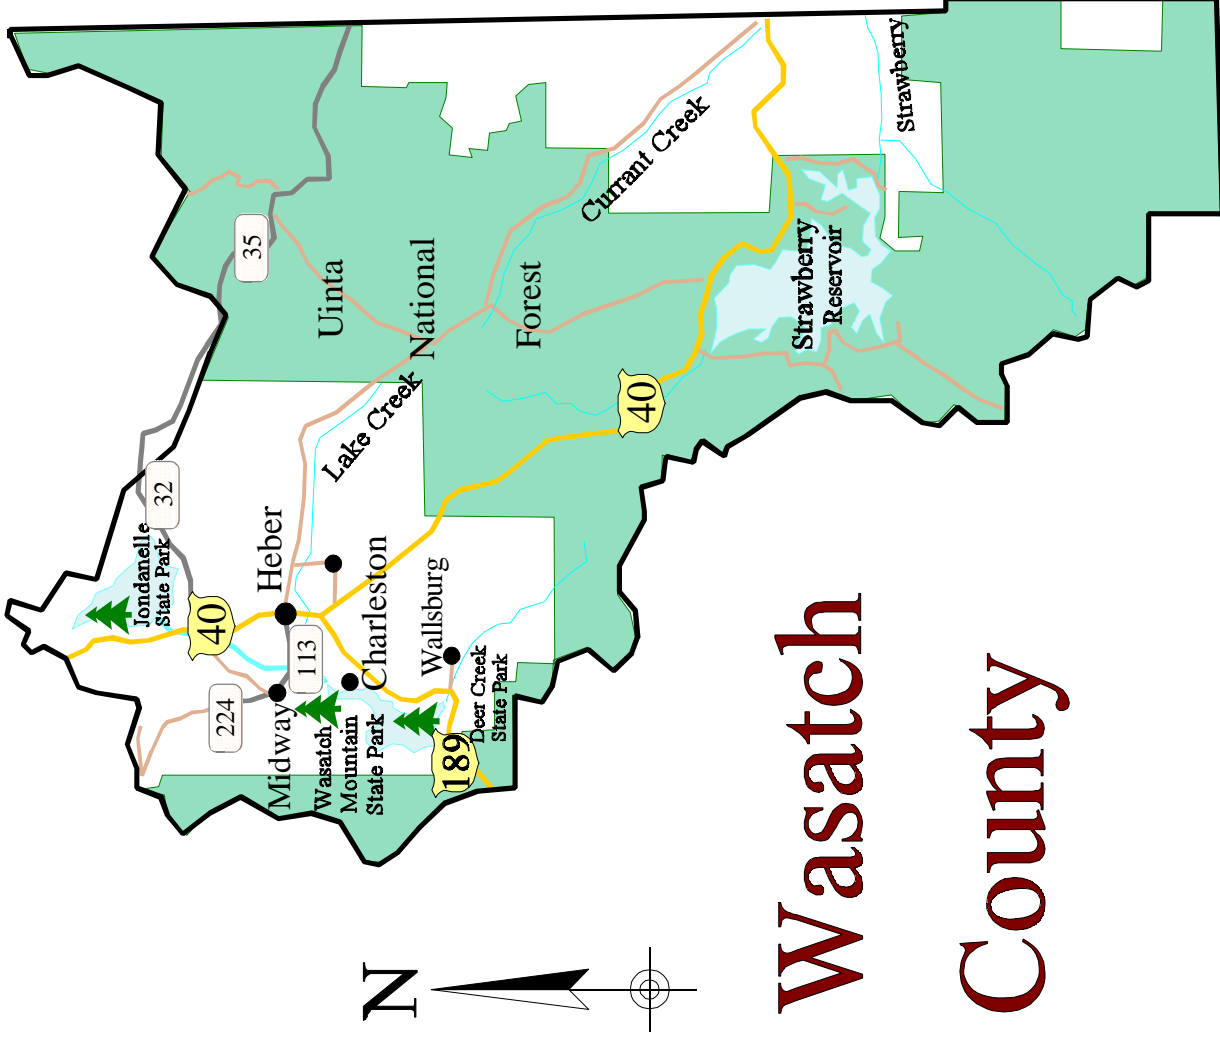

Rock Cliff Recreation Area

Directions: Go north of Heber on US 40 about 2 miles and turn right on UT 32. Go about 6 miles and turn left into the entrance of the recreation area.

Strawberry River Valley

Directions: 1. Go east from Fruitland on US 40 about 3 miles and turn right on the Red Creek Road. Go about 6.3 miles and turn right toward Camelot Resort. Take the right fork toward the Strawberry River. This is the view road for the Strawberry River Valley.

2. Go west from Duchesne on US 40. After passing Starvation Reservoir, go 3 miles and turn left on 29520 West. When you see the sign for Camelot Resort, turn left to the resort. Take the right fork toward the Strawberry River. This is the view road for the Strawberry River Valley.
