

# Garfield County

## Popular Birding Places

### Bryce Canyon National Park

Directions: Go west from Tropic on UT 12 about 8 miles to the intersection with UT 63. Turn left and go about 2 miles.

### Calf Creek Falls Trail (to Lower Calf Creek Falls)

Directions: The trail head is at the upper end of the Calf Creek Recreation Area parking lot near UT 12 about 12 miles south of Boulder or 15 miles east of Escalante.

Birding: The birding is good all along the trail, but especially by the beaver ponds and in other riparian areas along the stream. The Lower Calf

Creek Falls is about 2.5 miles up the trail..

### Calf Creek Recreation Area

Directions: The recreation area is on UT 12 about 15 miles east of Escalante and 12 miles south of Boulder.

Birding: The bushes and trees around the campground area and mouth of the canyon are good for birding as well as the Calf Creek Falls Trail which take off from the parking lot a leads to the Lower Calf Creek Falls, 2.5 miles away.

### Escalante State Park

Directions: Go west from Escalante about a mile on UT 12 and turn right on the road to Wide Hollow Reservoir. Go about 1/2 mile to the reservoir. The State Park is adjacent to the reservoir on the northeast.

### Harris Wash

Directions: Go east from Escalante for 5 miles on UT 12 and turn right at the sign for Hole-in-the-Rock. Go 10.4 miles on Hole-in-the-Rock Road to the sign for Harris Wash which is 5.9 miles from this intersection.

**Panguitch Lake**

Directions: Go south from Panowan about 26 miles on UT 143.

**Starr Springs**

Directions: Go south from Hanksville about 25 miles on UT 95 and turn on UT 276 which goes to Bullfrog Marina. Go about 18 miles and turn right on the Clay Point Road. Starr Springs is about 4 miles down the road.

**Tropic Reservoir**

Directions: Go west from Tropic about 8 miles on UT 12. 2 miles past the intersection with UT 63, turn left on the King Creek Campground road. Go 7 miles to Tropic Reservoir.

**Wide Hollow Reservoir**

Directions: Go west from Escalante about a mile on UT 12 and turn right on the road to Wide Hollow Reservoir. Go about 1/2 mile to the reservoir.
