

# Kane County

## Popular Birding Places

**Alton Ponds** [McDonald Lake, Le Vanger Lakes]  
 Directions: From US 89 about 6 miles south of the junction with UT 14 (Long Valley Junction) go east on CR 10. Along the 4 mile road to Alton there are three lakes, the first is McDonald Lake and the next two are Le Vanger Lakes.

### Cottonwood Canyon

Directions: 1. Southern approach: Go 32 miles east of Kanab (18 miles from the Arizona border) on US 89 and turn left (north). From the Paria Ranger Station, it is 3 miles to the Cottonwood Canyon road.. The Cottonwood Canyon road goes 46 miles to Cannonville.  
 2. Northern approach: Go south from Cannonville on Cottonwood Canyon road.  
 [There's another Cottonwood Canyon in Kane County. The other one is east of Kanab by the Vermilion Cliffs].

### Duck Creek Reservoir

Directions: Go 25 miles east of Cedar City on UT 14.

### Hancock Road

Directions: From US 89 about 8 miles north of Kanab turn west on Hancock Road which courses southwestward to Ponderosa Grove Campground and Coral Pink Sand Dunes about 5 miles down the road.  
*(Suggested by Dana Green)*

### Kanab Creek

Directions: Go south of Kanab 0.4 miles on UT 11 / US Alt. 89. Turn right on the road to Kanab Creek Ranchos subdivision. Follow Kanab Creek Drive about 0.6 miles to the creek.

“Utah Birds” • Print Center - Dec 2000 • www.utahbirds.org

### Ponderosa Grove Campground

Directions: From US 89 about 8 miles north of Kanab turn west on Hancock Road which courses southwest. Go about 5 miles (birding on the way -- this is a good birding area) to the campground.  
**Specialty Species:** This is a good place for Pygmy & White-breasted Nuthatches, Juniper Titmouse, Western Bluebird and Yellow-breasted Sapsucker. Watch for Pinyon Jays along Hancock Road.  
*(information by Dana Green)*

### Three Lakes Canyon

Directions: This Canyon lies between Mount Carmel on the north and Kanab on the south along US 89.
