

Wayne County

Popular Birding Places

Bicknell Bottoms

Directions: Go east on UT 24 from Bicknell. After about 2 1/2 miles, turn right on a paved road that immediately crossed the Fremont River. This 2 1/2 mile stretch of road along the river and the marshy Bicknell Bottoms is a very good birding area. There is also an access to Bicknell Bottom area a little further west. Go south on 400 West in Bicknell about 2 miles until the road ends at the Fremont River.

Capitol Reef National Park

Directions: Go 12 miles east of Torrey or 35 miles west of Hanksville on UT 24 to the visitor center in Capitol Reef National Park.

Fruita

Directions: Go 12 miles east of Torrey or 35 miles west of Hanksville on UT 24 to the visitor center in Capitol Reef National Park. Go about 1/2 mile southeast of the visitor center to Fruita with its orchard and vegetation which makes for good birding.

Poison Springs Wash

Directions: Poison Springs Wash is about 15 miles southeast of Hanksville.
